Ortega’s Oration

Dear Bryan High Community,

On behalf of the entire staff at Bryan High School, we salute and congratulate our seniors! This past month was dedicated to our seniors. I couldn’t be prouder of our staff who helped show our seniors some love in a variety of ways, including painting “2020” at the top of our hill, creating a collage of staff pictures on social media, and personally delivering a Class of 2020 yard sign to each senior. These small but kind gestures represent the spirit of Bryan High School and the love we have for our seniors.

It is also my pleasure to inform you that our school has been accredited by Cognia. Accreditation is a process by which we focus laser-like on continuous school improvement. Thank you to the many parents, students, community members, and staff who participated in this rigorous process.

Lastly, if you haven’t already heard, we have two new Alice Buffett Outstanding Teacher Award winners. Congratulations to Mr. Wennstedt and Mrs. Duncan! Your students are in caring and highly skilled hands at Bryan High School!

Great big virtual air high fives to our seniors and to each of you as we wrap up the 2019-2020 school year with so much to be proud of and celebrate at Bryan High School!

Go Bears!
Dr. Ortega, Principal
