

# Omaha Public Schools Career Education

is looking to boost Dual Enrollment  
post secondary opportunities . . .

## Dual Enrollment:

Provides high school students an  
opportunity to earn both high  
school and college credits for  
specific courses.

### What are the Benefits?

**Dual Enrollment** empowers students to start a career pathway while in high school, exposes students to rigorous college-level coursework, and enables students to build important networks with community partners.

**Reduced Tuition Cost** assists students in realizing their college dream and saves \$\$\$.

**Credits Transfer** and are complimentary to student career goals.

Access to College Campus facilities.

Maximize time in Class.
