Subject: Emergency Relocation Information-Evacuation Site

We hope at Bryan Senior High School that we never have to relocate students from the building due to either a manmade or natural emergency situation. However, due to a variety of situations that might occur in a school building, it is possible that this may become necessary. In our planning for a variety of school crisis situations, we have tried to anticipate every possible type of event that can occur at school.

Should we have a need to evacuate the school and move students to another temporary location, we want you to know in advance that we have made arrangements to do so at Bryan Middle School, 8210 S. 42nd St. or if that building is unavailable, we will move students to Daniel J. Gross High School, 7700 S. 43 St. The media will announce the location of the evacuation site also.

If we have to move students to another location, please understand that it will be very hectic. Consequently, we would ask that you not call or come to the school building. Instead, please go to the alternate site(s) to pick up your child. You should also be aware that to ensure the utmost safety of all involved, we would require you to sign your child out in much the same way that you do during a regular school day. This will allow us to account for the whereabouts of all students, and it will be crucial that this be done as accurately and systematically as is possible.

Your patience will be greatly appreciated in the event that this ever becomes necessary.
